MISSION

FACTOR COIN Ecosystem is inspired by FACTOR Organization, the personification of time in the U.S.A., which represented the passage of time and the Ages. We have translated it into a token that rewards the time you keep it in your wallet, with rewards in USD (\$USDT) currency. It is also deflationary, so every purchase and every sale will burn tokens, making them more valuable over time. Factor creators are aware of the need to impact the world with the developments in order to achieve a better world, we have established an objective to contribute a percentage of the income to the educational support of new talents in the world that emerge from migrants, in order to give back the confidence they will give in our project.

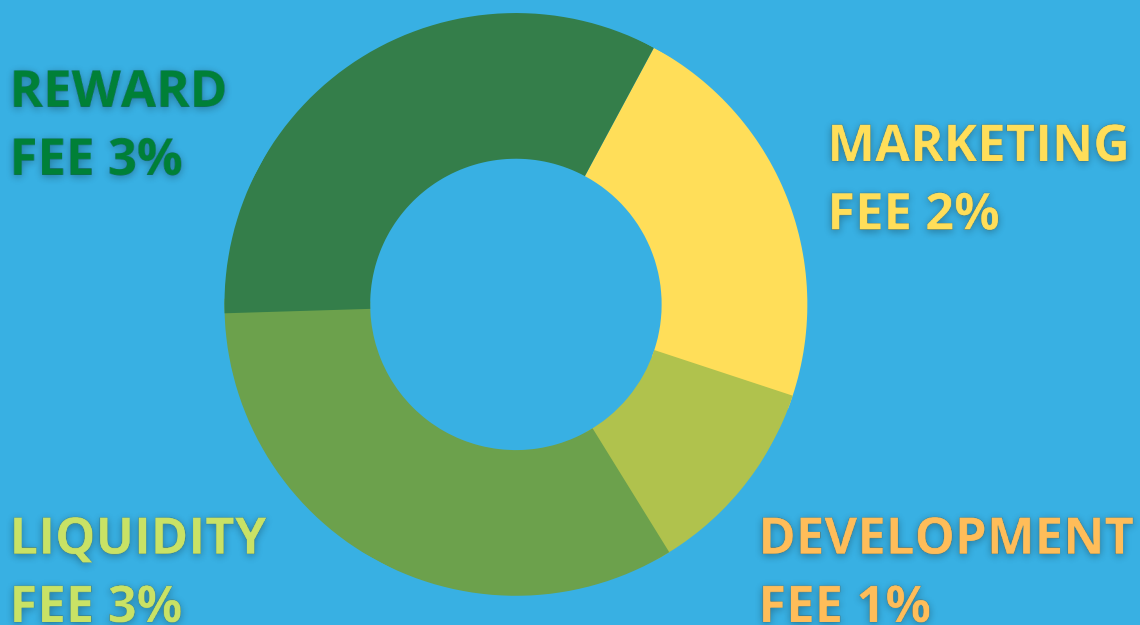

VISION

It is a decentralized platform that bridges the gap between crypto and fiat currencies and brings the benefits of the crypto world to everyday people. Based on the Binance Smart Chain, has up to 10x quicker block speeds and lower gas fees compared to many projects competing in this space. FACTOR COIN is proud to be the world's first Yield Generation token to reward its holders in \$USDT. It is establishing a new standard in Defi Tokenomics with its innovative and game-changing token distribution strategy. FACTOR COIN is intended to be held long-term to generate passive income and capital growth. Due to the stable-coin rewards being paid on all transactions, investors benefit during both Bull and Bear markets. Factor coin creators have full vision and want to make it a reality with the support of its community and the people around it.

TRANJUCTION FEES

FACTOR COIN Smart Contract, will be developed in the following algorithm: The FACTOR COIN will have the following functions within the Smart Contract.

Every time any user makes any transaction with the FACTOR COIN they will be charged an 9 % commission. This percentage will be allocated as below.

FACTOR ECOSYSTEM

An ecosystem is specifically a group of interdependent elements that interact with each other. FACTOR's ecosystem is exactly that, but with the purpose of ever-increasing value and return on investment back to holders. Every facet of FACTOR ECOSYSTEM is designed to support taxation tokenomics, which in turn feeds 3% USDT rewards back to holders, provides more liquidity, and results in more tokens being bought back and burned.

FACTOR SWAP

FACTOR ECOSYSTEM distributed application (dApp) dashboard FACTOR DASH, is the secure online webpage used to provide investors with an everincreasing array of tools, specifically to applications accessible through FACTOR DASH which includes: a swap exchange, NFT marketplace NFT minting, NFT subscription services, NFT lending, staking, liquidity pooling, wallet tracker, NFT tracker, and metaverse gaming including p2E games. increase their ease-of-use trading experience.

FACTOR STAKE & FACTOR POOL

Right from the start, well ahead of launching. FACTOR COIN has planned for token Staking and Liquidity Pooling. This is why 20% of the FACTOR COINS are earmarked for this purpose.

There will be no need for FACTOR COIN to remove liquidity from the contract as these are already set aside. Investors participating in FACTOR Stake and FACTOR Pool will be able to take advantage of high APY, thus compounding their investments. All income earned in FACTOR Stake and FACTOR Pool will be taxed and fed the tokenomics back to investors.

FACTOR NFT MARKETPLACE & MINTING

Investors will be able to buy and sell NFTs on FACTOR COIN's FACTOR NFT platform. Users will be able to mint NFTs of their own utilizing images, videos, animated GIFS, and other data elements, and be able to show off their NFTs on their favorite social media platforms, all with the click of a button. NFT transactions completed using any cryptocurrency other than FACTOR COIN (FCTR) will be taxed and directly feed the tokenomics back to investors. All income earned by FACTOR COIN will also be taxed and directly feed the tokenomics back to investors.

CONCLUSION

Factor Coin aspires to be the currency of remittances, we will seek to position ourselves within this sector to which millions of people around the world belong and that moves billions of dollars from one place to another, providing a safe, efficient service, providing investment options and rewards to its users, in addition to providing peripheral services in our developments.

Many changes occur throughout time, and one example is a cryptocurrency, which is a digital currency that is growing by the day. In the crypto realm, new tokens and currencies emerge daily. Because of its broad network, paper money may be phased out in the future. And in this project, we're talking about the FACTOR COIN, which appeals to a different type of audience than highly technical enterprises. Our primary focus is a community, and we organize multiple community contests each week.

It's a decentralized network, and the FACTOR COIN can appeal to a wide range of users from around the globe.

Let's start to invest Factor coin. Together, we can fully utilize cryptocurrencies and rule the world through the development of additional technologies such as cross-border payments.

with the full vision of Factor coin creators, which they want to make it a reality with the support of its community and the people around it, we can achieve greatness together.
